WEEK 3:

From March 03rd to March 09th, 2025

Activities to be Developed

Initial Activities:

- Download all the resources provided for the student in week 3.

Development of reading activities:

- The reading of the grammatical structure and information of Unit I is in English; you are tasked to make the corresponding translations in case you do not understand all the vocabulary provided.
- **On pages 2-4**, you will read about the use of the verb To Be, learning from its use to how it is used in exemplified sentences.
- **On pages 4-6**, you will learn about affirmative, negative and interrogative sentences using the simple present with the verb To Be.
- **On page 6**, you will be able to appreciate the use of each WH-Question.
- **On pages 6-8**, you will learn about the parts of the computer and their functions. Do the translations to better understand!

- **On pages 9-10**, you will do the first practice where you must first read about What is a computer? and then do the vocabulary practice and relate it to its definition.
- **On pages 10-11**, you will do the second practice where you must complete each sentence using the verb To Be.
- **On page 11**, you will do the third practice where you will complete the sentences using the WH-Questions.

REMINDERS

Review the document before the class and complete the activities requested in it. Write down all the doubts in your notebook or notepad and ask your tutor while the synchronous session is taking place or write to your tutor's e-mail address.

Be attentive in your synchronous sessions because your tutor may ask you for examples of the topics that are being developed.

If you have questions or doubts during the development of the unit, contact your tutor and ask for assistance to clarify any doubts you may have.

IMPORTANT

Read the guidelines before each synchronous session and be sure to ask any questions you may have about assignments, activities or exams.

Remember that you must have **75% attendance** to do the evaluated activities (if for any reason you cannot attend the synchronous classes, please notify your tutor, justifying the absence).
