WEEK 6:

From March 24th to March 30th, 2025

Activities to be Developed

Initial Activities:

- Download all the resources provided for the student in week 6.

Development of reading activities:

- The reading of the grammatical structure and information of Unit 2 is in English; you are tasked to make the corresponding translations in case you do not understand all the vocabulary provided.
- **On pages 4-6**, you will read briefly about common relative pronouns, to clarify any doubts you may have.
- **On pages 7-8**, you will learn about the comparative and superlative, making correct use of adjectives in each case. Pay close attention to each structure and examples to note the difference and how it applies.
- **On pages 9-10**, you will learn more about adjectives and the difference depending on their syllables when used comparatively or superlatively.
- **On pages 10-11**, you will develop the first practice where you will complete the chart with the comparative or superlative of each of the

adjectives provided, and complete the sentence with the correct comparative or superlative.

- **On page 11**, you should go to the link provided to continue practicing comparatives and superlatives.
- **On page 11**, you will read a paragraph about “The Evolution of Computer Systems”, where you should translate and write down the new words.
- **On page 12**, you will do practice 4, where you will complete each of the sentences using the adjectives in their comparative or superlative form.

REMINDERS

Review the document before the class and complete the activities requested in it. Write down all the doubts in your notebook or notepad and ask your tutor while the synchronous session is taking place or write to your tutor's e-mail address.

Be attentive in your synchronous sessions because your tutor may ask you for examples of the topics that are being developed.

If you have questions or doubts during the development of the unit, contact your tutor and ask for assistance to clarify any doubts you may have.

IMPORTANT

Read the guidelines before each synchronous session and be sure to ask any questions you may have about assignments, activities or exams.

Remember that you must have **75% attendance** to do the evaluated activities (if for any reason you cannot attend the synchronous classes, please notify your tutor, justifying the absence).
